

## Laser Hair Removal Price List

With treatments carried out by Medical Doctors, at CHIC you find multiple laser hair removal machines with different laser wavelengths to perform hair removal, along with the only virtually pain free laser hair removal machine in Malta. This allows us to personalise each and every treatment to best suit your skin type, hair type and preferences. With our equipment and expertise, you can rest assured that you will get the desired results, even if you have a darker skin type, light or fine hair. This is discussed during the initial consultation, after which the patch test is performed.
