

Medical Services Price List

CHIC Med-Aesthetic Clinics cater for a wide range of primary care medical services. With fully trained medical doctors in attendance at all times during opening hours, we also cater for walk-in emergency medical services. Continuity of patient care is ensured within a General Practitioner group practice through fully computerised patient record systems.

Private Doctor Consultations cater for various treatments including acute illness, chronic disease management (diabetes, hypertension, hypercholesterolaemia etc), health assessment plans (health checks), nebuliser treatment, emergency care and vaccinations.
